The eight regional parties belonging to JARM held their local meetings once to twice a year.

- 1) Hokkaido district
 - 39th meeting on April 13, 2019
 - 40th meeting on September 14, 2019
- 2) Tohoku district
 - 46th meeting on August 31, 2019
 - 47th meeting on February 29, 2020※
- 3) Kanto district
 - 71st meeting on September 29, 2019
 - 72rd meeting on February 9, 2020
- 4) Hokuriku district
 - 46th meeting on August 31, 2019
 - 47th meeting on March 7, 2020※
- 5) Chubu-Tokai district
 - 45th meeting on August 31, 2019
 - 46th meeting on February 8, 2020
- 6) Kinki district
 - 46th meeting on September 14, 2019
 - 47th meeting on March 1 2020※
- 7) Chugoku-Shikoku district
 - 43rd meeting on July 7, 2019
 - 44th meeting on December 1, 2019
- 8) Kyushu district

**The Japanese Association of Rehabilitation Medicine (JARM)
Annual Report (April 1, 2019 through March 31, 2020)**

46th meeting on September 8, 2019

47th meeting on February 16, 2020

※ -marked meetings were canceled or postponed to prevent the spread of new coronavirus infection.

5. The Japanese Journal of Rehabilitation Medicine (JJRM) is JARM's official journal.

JJRM was published monthly (volume 56, no.4-12; volume 57, no.1-3, with a separate volume of abstracts for the annual meeting).

6. Progress in Rehabilitation Medicine is JARM's official English journal.

Progress in Rehabilitation Medicine, the official e-journal of JARM, publishes high quality articles in rehabilitation medicine. The journal primarily covers clinical researches and case reports in rehabilitation as well as studies in related fields. The submission of papers began in April 2016, and there have been 87 postings/publications after the launch of July 2016.

7. JARM continues to update and improve its website.

Please visit the website: <https://www.jarm.or.jp/english/>

8. Hands-on educational activities:

1) Bladder management after spinal cord injury

2) Pediatric rehabilitation

The event was postponed due to lack of participants.

3) Clinical electromyography and electrodiagnosis

4) Motion analysis and kinesiology

The event was postponed to prevent the spread of new coronavirus infection.

5) Prescription and check-out of prosthesis and orthosis

6) Vocational rehabilitation

7) Dysphagia

8) Medical coaching useful for rehabilitation

9. JARM featured three CME courses for non-rehabilitation specialists:

1) (Circulation and metabolism) CME course attracted 64 participants.

2) (Spinal cord injury) CME course attracted 73 participants.

3) (Childhood disease) CME course attracted 50 participants.

10. JARM sponsored semi-annual CME activities for rehabilitation subspecialists.

Each of JARM's eight regional parties sponsored CME activities once to five times a year.

11. Numbers of Board-Certified Psychiatrists and Board-Certified Members of Rehabilitation Medicine:

**The Japanese Association of Rehabilitation Medicine (JARM)
Annual Report (April 1, 2019 through March 31, 2020)**

1) The certified physiatrist certification exam was postponed to prevent the spread of new coronavirus infection.

A total number of certified physiatrists as of the end of March 2019: **2,514**

2) The qualified physiatrist certification exam was postponed to prevent the spread of new coronavirus infections. In collaboration with The Japanese Orthopaedic Association, we held an accredited clinician qualification training course for Rehabilitation Doctor Approved by the J.O.A., and 196 doctors were certified.

A total number of qualified physiatrists as of the end of March 2019: **3,785**

12. A number of physicians who teach under JARM certification:

Newly certified teaching physicians in 2019: **62**

A total number of certified teaching physicians as of the end of March 2019: **1,277**

13. A number of institutes with JARM certification:

Newly certified institutes in 2019: **27**

A total number of certified institutes as of the end of March 2019: **644**

14. Open Lecture to the Public:

JARM conducted two open lectures to the public, one in Minato City, Tokyo and the other in Fukui city, Fukui.
